Fort Bend Friends and Neighbors

JULY 2026

Since 1981

Spotlight on...

**Friday,
July 24
10:30 am**

A group of women who gather monthly for a ritual that's equal parts treasure hunt and social occasion. Armed with tote bags and a shared eye for the unexpected, they move through thrift stores and antique shops at an easy pace — picking through racks, debating whether something is "charming" or just old, and celebrating each other's finds with genuine delight. Carpooling is encouraged, turning the drive into part of the fun. By lunchtime, bags are full and conversation flows easily over good food. New faces are always welcome, and there's no pressure to make every outing — drop in when you can and jump right in.

In July, Treasure Hunters will be meeting on Friday, July 24th at 10:30 am. We are going to visit East Bernard Emporium located at 115 Leveridge St, East Bernard, Texas. We will eat lunch afterwards at Glory Bean Coffee Company, which is connected to the Emporium. They serve homemade soup & sandwiches. I hope you will join us as we venture down the road looking for treasures. Please let me know if you can make it. Carpooling is recommended. It is about a 45-minute ride down HWY 90. Join the email list to receive all the details. You can email, text, or call Marsha Wicks with any questions.

GARDEN FRIENDS

July

- *Water deeply, especially trees. Don't rely on your sprinkler system to water adequately in summer.
- *Check irrigation systems for proper function. You may need to extend the watering periods to make sure roots are watered.
- *Maintain mulch at 2-3" depth. Add new mulch if needed to conserve moisture.
- *Prepare vegetable gardens for fall planting. Pull weeds and add compost.
- *Plant vegetable plants: tomatoes, peppers, squash and cucumbers. Plant herbs: basil, oregano and thyme.
- *Plant pumpkin seeds for October Jack-O-Lanterns. Other seeds to plant: corn, cucumber, okra, black-eyed peas, beans and cantaloupe.
- *Identify insect and fungal problems and treat with the least toxic solution.
- *Feed the birds. Keep bird baths clean and filled with fresh water.
- *Eliminate standing water to prevent mosquitoes from breeding.
- *Deadhead annuals and perennials to encourage a great fall showing.
- *Stay hydrated and protect yourself from UV rays (sunscreen/hats/sunglasses).

MARSHA'S BAKERY & CAFE

Have you considered donating a themed culinary basket for our October fundraiser? You could work together with several ladies in our club, in your neighborhood, or out in the community. There are folks in the community who may not attend our club luncheon, but they recognize the value of what we do and would be happy to donate items for a culinary basket.

You could find local honey at the farmers market, and add a honey dipper, homemade jam, and add a fancy spreader, a loaf of fresh bread, a pretty serving platter from the resale shop, and a pretty kitchen towel, all displayed in a basket or decorative tin, again found at a resale shop. You are likely to know someone who is skilled at wrapping it all up in clear cellophane with a fancy bow. You may not be able to put every piece of a themed basket together, but you know folks who have skills to help you create a presentation that will bring top dollar to our fundraiser.

How about a tea basket: fancy, high quality teas, homemade cookies, biscotti, a pretty teapot or a tea cup and saucer, a serving platter, homemade jam, a fancy spreader, lemon curd, and don't forget, some of these items can be found at your local farmer's market; all displayed in a decorative container, and our guests are sure to bid on it.

These are just a few of the ideas for themed food baskets. Be on the lookout for more ideas and get your family and friends involved. You don't have to create the basket alone; you don't have to spend all the money for the basket yourself. Work together to create a basket! We can't wait to see what you and your friends come up with.

Thank you for being a part of raising scholarship funds for students in our community.
