Dinner with Friends

If you've been hoping to meet new people, enjoy great food, and spend time in a welcoming, low-pressure environment, Dinner with Friends is one of the easiest and most enjoyable ways to do it. These monthly dining groups offer a relaxed space where women can unwind, laugh, and share a meal with others who appreciate good conversation and good company. Whether you're new to the area, eager to expand your social circle, or simply looking for a reason to treat yourself once a month, these gatherings make it effortless.

Both groups provide a friendly, low-pressure environment where ladies can arrive solo or with a significant other and immediately feel at ease. The Houston group visits restaurants featuring entrée options under \$30, making it a budget-friendly way to try new places around the city. The Fort Bend group explores moderately priced restaurants throughout the county, offering a comfortable outing close to home.

If you're looking for connection, conversation, and a reason to treat yourself once a month, Dinner with Friends is a wonderful place to start.

- Dinner with Friends Houston — 2nd Sunday at 6:00 PM. Contact Sharon Harry (see pg 9)
- Dinner with Friends Fort Bend — 1st Sunday at 6:30 PM. Contact Ellen Hickmon (see pg 9)

Social Club *News*

Dear Club Members,

Autumn seems to be approaching, judging by the latest advertisements with autumn colors. I say this with a twinkle in my eye, looking forward to cooler weather. I am pleased to welcome twenty-three new members to FBFN. If you meet them at our events, please say hello and help them feel welcome.

If you are a new member and want to get involved, contact Mary Becnel, Dee Cordell, or me. Mary handles new member support, Dee leads activities, and the roster next to this article lists our contact information. The board has approved the 2026-2027 budget, allowing us to continue supporting our regular activities and events.

If you are interested in joining the board or exploring leadership opportunities, please let me know or visit the FBFN page for job descriptions.

We are also interviewing for a president-elect for 2026-2027, as Marilyn Davis will serve as Past President. If you are interested in this leadership opportunity, please get in touch with Gloria Mikulenska or me. I look forward to seeing you at the Membership Appreciation and Game Day on Thursday, September 17th, from 10:00 AM to 2:00 PM at the Clyde and Nancy Jacks Conference Center, 3232 Austin Pkwy, Sugar Land, TX 77479. We will hold a brief general membership meeting in place of our monthly coffee meeting.

If you have any questions, concerns, or suggestions, please let me know.

I am always here to help.

Sincerely,

Liz

PAYMENTS FOR THE OCTOBER FUNDRAISER LUNCHEON

When making your reservation for the October Fall Fundraiser luncheon, if you are paying by Zelle, make sure you are sending your payment to the correct Zelle account.

ZELLE to: [fbfnfoundation@gmail.com](mailto:fbfndoundation@gmail.com)

It must be typed exactly as it is shown above. When you review the payment, it will show that this Zelle address is enrolled as FBFN Foundation, and then you can hit Send. If Social is mentioned when reviewing your payment, then you have the wrong Zelle account. Do **NOT** hit send!

Field Trip

On September 24th we will be making our 2nd field trip to KPRC Channel 2 to see the afternoon lifestyle program/talk show "Houston Life" with Derrick Shore.

We have reserved September 24th to become a part of their show. First, we will tour the studio from 12:15-12:45. Then we will be seated in the audience to watch the show from 1:00-2:00. We have already filled our group of 20, and there are 6 people on the waiting list. Gloria will be taking this group. We will first eat breakfast/lunch at the Live Oak Grill and then carpool to Channel 2. As we get closer to the 24th, Gloria will give you more details. Please RSVP to Gloria at gmikulenka@comcast.net by September 7th, telling me if you want to be added to the waiting list. The first group had an awesome time, and we can't wait to go! Thank you, Donna, for finding us such a fun field trip!

YOU CAN SUPPORT THE FOUNDATION SCHOLARSHIP

Marsha's Bakery and Café will be set up at our October 15th luncheon. This will be your chance to support a worthy cause and take home a delicious treat!

The proceeds from the auction go directly to the Foundation Scholarship Fund. Deserving young people rely on your generosity to be able to pursue their dreams and further their education.

These scholarships impact entire families, as many recipients are the first in their family to attend a higher education program. Thanks to your support, new opportunities are opening up for these students!

You can help in several ways; bake a sweet or savory treat or donate a certificate for a future meal, entrée or a special dessert. We even have a place for those who "can't find their kitchen". We'll have lots of holiday goodies you can bid on, for all your upcoming entertaining. The casseroles and sweets you'll find in our certificate area will be perfect for the next party you're hosting.

Make your reservations to attend the luncheon and be sure to invite your friends. You know several that would love to be a part of this wonderful opportunity. We look forward to seeing you there.

Crafty House: Technology Help for FBFN Volunteers

Interested in Taking on a Position with FBFN?

Have you ever thought about volunteering for a position with FBFN but hesitated because you weren't sure you were comfortable with the computer skills or technology involved?

Don't let technology hold you back!

I would like to offer one-on-one/small group computer and technology help to anyone interested in taking on a position with FBFN. I can help you learn the specific programs and technology you would need for that particular position, so you can feel comfortable and confident doing the job.

There is absolutely no obligation to take the position. This is simply an opportunity to learn what is involved, ask questions, and see how comfortable you can become with the technology before making a commitment.

You may know the job—but if the computer part is holding you back, let's work on that together!

GARDEN FRIENDS

Refresh Container Gardens: Fall is in the air. Refresh container gardens with snapdragons, dianthus, mums, petunias, lobelia, crotons & more.

Watering: Maintain watering on newly planted seeds and transplants, use a rain wand to avoid disturbing plants with small root systems. On St. Augustine and other lawns, water well but less often. With shorter days and cooler nights – begin to reduce the amount of water applied as needed. Avoid watering in the evenings, if possible, to prevent fungal diseases.

Hummingbirds: Migrating hummingbirds can be found at your feeders and natural nectar sources. Keeping feeders clean, filled, and in a shady area will encourage visitors.

Recipe for Nectar: Bring 4 cups of water to a boil, add 1 cup of granulated sugar, stir until dissolved. Allow to cool, fill feeders. Keep excess sealed in refrigerator. (No need to add red food coloring.)

Natural nectar sources for hummingbirds: Turk's cap, hamellia, shrimp plant, firespike, salvia, lobelia (cardinal flower), Mexican oregano, pride of Barbados, anisacanthus, and cigar plants. These are all hummer magnets.

Vegetable Transplants: Get your transplants in your fall vegetable garden. Early September is your last chance to get tomatoes and peppers in the ground. Cool-season vegetables such as cauliflower, broccoli, brussels sprouts, cabbage, kale, mustard, lettuce, and kohlrabi can be planted September through January, so look for seeds or transplants to add to your garden.

Mulch, Mulch, Mulch: Mulching keeps plant roots cooler, weed seeds at bay and conserves water. Apply 3" deep around trees and shrubs. Add compost around annuals, herbs, and vegetables. Do not mound mulch against the base of a plant, this only invites insect and fungus to come in contact with the crown of plants.

Pests: Blast off sucking insects (aphids, mealybugs, etc.) with water and/or spray with insecticidal soap. Leaf miners are active on citrus, they will not kill your citrus, leave alone or alternate treatments of Spinosad and neem to keep them at bay. BT will get rid of cabbage loopers. Insects such as chinch bugs and fungal diseases on lawns (grey leaf spot) are two things to watch out for.
