A Message from Your President

I think everyone is happy to see signs of Spring! A time for new awakenings and renewing and making new friendships! I hope those of you who celebrate Easter had a wonderful day with your family or friends.

We have some new events to look forward to this month, which I am very excited about. If you would still like to sign up for 'High Tea' at the St. Regis Hotel, there are a few openings left on Friday, April 12th from 3-5 pm. You can read more about this in the newsletter.

Please make sure you attend the Coffee on Thursday, April 18th. The club members will be voting on the new Executive Officers for 2024-2025.

We are planning an exciting new activity for our members. Please mark your calendar for Friday, April 26th. We will be having a **PICNIC** from 10:00 am to 2:00 pm. The Picnic will be held at the Sugar Land Memorial Park on University Drive. We are planning on having many games and activities plus lunch. Please read about this exciting day in the newsletter. I hope to see many of you there!

Due to the picnic this month, we will not be going on a Field Trip, but we will continue them in May with a tour of the Houston Downtown Cisterns.

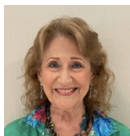

I hope we have a beautiful Spring so we can work outside, planting our gardens and sowing the seeds for new friendships!

"Since there is nothing so well worth having as friends, never lose a chance to make them." Francesco Guicciardini

Garden Friends

April

- **Planting** - Plant new shrubs early before the heat arrives. Plant summer blooming perennials and annuals.
- **Clean-up** - Live oaks should be finished dropping their catkins and leaves. Rake and add them to compost or apply mulch over them.
- **Mulch** - Mulch beds to discourage weeds, keep roots cool and conserve moisture.
- **Pruning** - Prune spring blooming shrubs **after** flowers fade. Some examples are azaleas, wisteria, forsythia and quince. Pinch tips of coleus to avoid flowering and encourage bushier and compact growth. Remove spent blooms on spring annuals to promote new blooms.
- **Fertilizing** - Fertilize azaleas, hibiscus, and containers.
- **Water** - Maintain watering on newly planted seeds and transplants. Deep root watering on trees, lawns and shrubs is best. It encourages roots to move down into the soil where they will be less susceptible to moisture changes. Avoid frequent short periods of watering.
- **Pests** - Keep an eye out for pests as well as beneficial insects in your vegetable garden. Pick off pests by hand. Check for snails and slugs early in the morning, when they are active.
- **Orchids** - Move orchids outside and place them in shady spots. Repot if necessary.
- **Birds** - Fill bird baths and keep water fresh.
- **Roses** - Keep grafted roses well-watered, but make sure none of your water runs off into the sewers. (Fertilizers & other lawn chemicals are damaging our bayous & Galveston Bay).
- **Caladiums** - Plant caladiums in slightly acidic soil with good drainage.

Plans are underway for this year's FBFN Foundation October fundraiser!

For those of you new to FBFN, Marsha's Bakery is one of the sources of revenue for our scholarship fund. At the October luncheon your generously donated baked goods and/or certificates are sold to the membership.

As you can imagine, a lot of work goes into the planning and execution. We are always looking for more volunteers to help staff this event and are calling on you to help us help the future recipients of the scholarships. You can help in many ways: By donating baked items, donating certificates to be used at future dates, or by joining our committee

Our committee meets only about 3 times a year and on the day of the event. Most of the time involved is concentrated in the month prior to the event. This is a fun way to get connected and meet more people while doing what you love and helping others.

You will be seeing sign-up sheets showing up at activities in the next few weeks. You don't need to be specific yet as to what you might want to bring, or for what you may want to give a certificate. We will contact you at a later date to get that information. Please consider how you may want to help.

If you are interested in joining our committee or need more information, please contact Gail Creel or Judy Hafner.
