Fort Bend Friends and Neighbors *Since 1981*

AUGUST 2025

A Message from Your President

Ladies of Fort Bend Friends and Neighbors,

Well, it's August, the month that separates summer from fall, but I wonder, what else can I tell you that is interesting about August?

Did You Know?

August was named after Augustus Caesar. He was the first Roman emperor (though he never claimed the title) and the grandnephew of the previous ruler Julius Caesar, who named July after himself.

Interesting dates /days to remember (or not) in August.

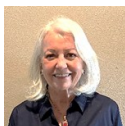

- 1-7: International Clown Week
- 3: National Watermelon Day
- 10: National S'mores Day
- 11: End Dog Days of Summer which began on July 3
- 13: International Left-Handers Day
- 19: National Aviation Day, chosen for the birthday of Orville Wright
- 20: World Honeybee Day
- 25: Kiss-and-Make-Up Day
- 26: Women's Equality Day celebrates the 1920 ratification of the nineteenth Amendment and, with it, women's right to vote in the United States.

But, of course, the **most important dates to remember** are all the fun FBFN events coming up in August. Read the rest of this newsletter to get information on our Citrus-nthemed Coffee, "**Have The Zest for Life!**" and the almost infinite activities planned for August.

Make sure you have renewed your Membership FBFN!

Stay cool. Have fun. I hope to see you soon at some of our many activities.

VIRGINIA MOORE HONORARY MEMBER

The FBFN Board is excited to announce the upcoming 100th Birthday of Virginia Moore on the 25th of August.

Please join us in remembering her on this very special day. To honor her on this fantastic occasion, the Social Club will, from this day forward, have her membership be complimentary. She will always be an Honorary Member of FBFN!

The 2025-2026 Executive and Governing Board!

IMPORTANT

ATTENTION TO ALL GAME GROUPS WHO PLAY AT RESTAURANTS

We have a number of game groups who now play at restaurants. What a nice and convenient way to play games without having to find hosts. Please remember that if you play at a restaurant, you should plan to eat there while playing, or order food to take home. The restaurants are gracious enough to offer their space to our groups for sometimes up to 4 hours or more. Most of these restaurants who host our game groups are small businesses and count on our business....let's remember to support them when we're there.

Fort Bend Friends and Neighbors Field Trip Thursday, August 28th

Chappell Hill Lavender Farm

We will visit an aromatic lavender farm with quaint surroundings and a scenic hillside view. The farm is about 8 miles north of the historic town of Chappell Hill, just off of the Texas Independence Trail. The farm has 23 rolling acres, 3-4 of which are dedicated to growing lavender. There are two primary varieties grown with the two blooming seasons. Most of the products in the gift shop are handmade here on the farm. Many local craftspeople also sell their wares in the gift shop.

During the cutting season, which occurs twice a year, you can casually stroll the fragrant rows and cut your own lavender. Provence lavender is cut in August & September. I hope to be there when they are cutting it, which depends on the crop this year.

They are open from 10:00 AM – 2:00 PM. After touring the Lavender Farm, we will eat lunch.

We will meet to carpool in the parking lot behind Salt Grass Steakhouse at Hwy 59 & 99 at 8:20 AM on Aug. 28th.

PLEASE **RSVP by Thursday, **August 14th**. Contact Gloria Mikulenska, Activity Leader, (gmikulenska@comcast.net).**

When: Sunday, August 3rd at 6:30 p.m.
Where: Pablo's Mexican Kitchen
9711 Mason Rd., #130 (off 99)
Richmond, Texas 77407

Pablo's was such a popular destination a couple of years ago, I think it's time to revisit this eatery for some delicious Tex-Mex and Mexican classics.

All recipes are made fresh daily, including their own unique sauces. Their reviews describe the food as fresh, flavorful, and well-seasoned, and apparently their margaritas are "to die for".

Please join me on Sunday, August 3rd at 6:30 p.m. I can't wait to order their pork tamales! Never had any better. Hope to see you there!

**BEHIND EVERY SUCCESSFUL
WOMAN IS A BEST FRIEND
GIVING HER CRAZY IDEAS!**

Our October luncheon brings opportunities to prepare for your holiday entertaining. One of Marsha's Bakery and Café specialties is our certificate area of the auction. Our donors agree to prepare a meal, or an entrée, or a special dessert, that will be prepared for the buyer, at a future date. Certificates could also be for an entertainment trio of appetizers that will help make a hostess's work lighter, or a meal that can be delivered to a family that has just had a baby, or to someone having surgery. Think of a time when a meal or dessert would have been a blessing to your family, and consider signing up to donate a certificate for that for our auction. Let me know if you have any questions.

Remember, the funds raised through the sweet and savory treats we prepare and the certificates we donate all help our Fort Bend County students attend a higher level of education here in our area.

AUGUST

*Keep an eye on lawns to spot problems early and treat accordingly. Insects such as chinch bugs (treat with EcoSmart granules or diatomaceous earth) and fungi such as grey leaf spot (treat with Actino-Iron) are two things to watch out for.

*Hummingbirds are here!! Migrating hummingbirds can be found at your feeders and natural nectar sources. Keeping feeders clean, filled and in a shady area will encourage visitors. Recipe for Nectar:

- Bring 4 cups of water to a boil, add 1 cup of granulated sugar, stir until dissolve
- Allow to cool, fill feeders. Keep excess sealed in refrigerator.

*For preparing fall gardens, top dress with 2-4" of organic matter: compost like Ladybug Revitalizer and The Ground Up Vegan Compost are great choices. A layer of pine straw will keep weeds at bay until seeds or transplants have been placed.

*Continue slow, deep watering to encourage proper root growth and prevent runoff. Watering longer and less often encourages deep root growth and healthier plants. Soaker hoses or a regular hose turned on to a slow drip are good ways to do this.

*Mulch, mulch, mulch. Mulching keeps plant roots cooler and weed seeds at bay. Apply 3" deep around trees and shrubs. Remember: never pile mulch against the base of a plant.

*Check hibiscus for mealybugs and scale. Remove infested foliage. Treat as needed. Apply fish emulsion.

*Prune deadwood from trees. It's hurricane season.

*Trim roses and fertilize.

*Transplant tomatoes as soon as possible.

*Prune oleanders in late August or early September if needed.

*Transplant Louisiana iris mid-August through September.
