A Message from Your President

Happy New Year! Here's hoping your holidays have been merry and bright and filled with love, joy, and peace!

Many of us partied heartily - in one stretch, I had four parties in four days! - but I have to say, FBFN had two boffo celebrations. First was the Holiday Party, which was tremendous fun for everyone who came! Two-Man Band (yes, that's what they call themselves) was great - and they have confirmed that they will return next year. Promise yourself you'll come! Most of us danced the night away -- when we weren't trying to find the items in Gloria Mikulenska's scavenger hunt. (Spoiler alert: I didn't win.) There was a raffle and prizes for various games and dancing. Did I mention dancing? -- so be sure to come next December, y'all!

And then there was the annual December Coffee Lollapalooza! That's not an official name, but I like it because we had ELEVEN c-hosts, which meant delicious food galore. According to the co-VP of Coffees, Jeanne Dazey, 56 of us were there. We donated so many cereal boxes to the FB Women's Center that they almost didn't fit in Vita's SUV! Other folks made generous monetary contributions as well. Lynette Reed lent us her beautiful, wondrously decorated home, and co-hosts Linda Albright, Mary Becnel, Marily H Davis, Jeanne Dazey, Sharon Harry, Ellen Hickmon. Jane Purcell, Cindy Smith, Diane Todd, Cherie Young, and Patty Winderweedle contributed to the feast.

Now, the new year beckons. Most important is the February 20th Luncheon -- Mystery Theater, complete with audience interaction and role-playing! This is sure to be LOADS of fun, so register to come as soon as you see the announcement in this newsletter. (An eblast or two will follow). The luncheon will be held at Sugar Creek Country Club and include a raffle. Mark your calendars! Of course, we will have a coffee on January 16 at Kathy Navel's home with a Mardi Gras theme. Get out your OTHER festive clothes and enjoy with your friends.

Cherie tells me I'm out of space, so I'll sign off. Let's all have a healthy, happy year full of good friends and neighbors!

NEWS

FROM THE PRESIDENT!

I want to take a moment to express my heartfelt gratitude to all the incredible women of this club. Your hard work, unwavering dedication, and passion are truly inspiring. Each of you brings something unique and invaluable to our community, and together, you create an environment of support, collaboration, and excellence. Thank you for everything you do to make this club thrive and for the amazing energy you bring to every project and event. Your FBFN Foundation board is deeply appreciative! I hope you took time to relax, recharge, and enjoy the season with your friends and family. Now, as we step into the new year, your Foundation board hits the ground running with renewed energy, fresh goals, and a commitment to making this year our best yet. Here's to a successful and fulfilling year ahead!

How to Pick a Dentist

Dentist make sure your dentist stacks up

DOES YOUR DENTIST USE DIGITAL IMPRESSIONS?
 NO MORE GOOP IN YOUR MOUTH. WITH THE SWEEP OF A WAND, WE TAKE A PERFECTLY ACCURATE DIGITAL PICTURE OF YOUR MOUTH AT ALL ANGLES.
 DOES YOUR DENTIST STILL USE A DRILL?
 LASER TECHNOLOGY ALLOWS US TO OFFER PAIN FREE, NO SHOT FILLINGS. WHY DO IT THE OLD FASHIONED WAY? NO HIGH PITCHED WHINE OR VIBRATION FROM THE GRINDING DRILL. KIDS NEVER BECOME AFRAID OF THE DENTIST

DOES YOUR DENTIST HAVE A MOVIE THEATER?
 NOT KIDDING. WHAT COULD BE MORE FUN? YOUR KIDS CAN WATCH A MOVIE OR YOU CAN WATCH YOUR FAVORITE SHOW ON NETFLIX.

DOES YOUR DENTIST USE A DIGITAL RECORDING OF THE CONDITION OF YOUR MOUTH? DIGITAL RECORDINGS KEEP AN ACCURATE HISTORY OF YOUR MOUTH. WITH THIS TECHNOLOGY, WE CAN SUPERIMPOSE ONE RECORDING OVER ANOTHER COMPARING TODAY TO LAST YEAR.

DOES YOUR DENTIST OFFER 12 MONTHS NO INTEREST PAYMENT PLANS? WE WORK WITH OUR PATIENTS TO PROVIDE EASY PAYMENT OPTIONS WITH NO INTEREST. THIS FREES YOU FROM THOSE HIGH INTEREST CREDIT CARDS.
DOES YOUR DENTIST USE DIGITAL INFRARED TO FIND CAVITIES?
 NEW INFRARED TECHNOLOGY LIGHTS UP DECAY IN BETWEEN THE TEETH. EASY TO SEE. BETTER THAN USING X-RAYS ALONE.

X-Ray and Consultation

Cocktails and Conversations will be hosted on Friday, January 24, 7:00 – 10:00 PM., at the home of Rosie Bowen. I want to give a big shout out to Rosie because when our original January host had to cancel, she immediately stepped up and said she would be happy to have C & C at her home.

Bring a hearty appetizer or dessert (no dinner served), and bring your favorite beverage to drink, whether it is beer, wine, liquor, or other non-alcoholic beverages. Rosie will provide paper goods, plastic ware, set-ups, and drink cups, but if you prefer, bring your own glass.

The timing will be wonderful for C & C because we will all have had a chance to chill after the Holiday hubbub and we will be ready to be with friends once more.

The limit is 30 unless the hostess prefers more. We need only three desserts, so if you want to bring a dessert, please let Rosie and me know when you rsvp by email.

See you at Rosie's on January 24th.

January

Plant Vegetables from transplants like broccoli, cauliflower, strawberries, collards, and lettuce.

Plant Seeds for lettuce, radish, and carrots. Begin seeding spring tomatoes inside.

Plant Rosebushes in prepared soil where they receive 6-8 full hours of sun every day. Prune rosebushes in February.

Plant Fruiting Plants such as blueberries and black berries; it is a good time to get them established.

Focus on cool season color such as pansies and violas, snapdragons, and dianthus. Get green Foxgloves, hollyhocks, larkspur, poppies, and delphiniums in your beds now for a gorgeous Spring show.

Plant Spring flowering trees and shrubs such as redbuds, fringe trees, Mexican plums, azaleas and spirea. Now is a great time to plant.

Fertilize established trees and shrubs, except Azaleas and camellias, with a good all-around organic fertilizer like MicroLife.

Water- Maintain watering on newly planted seeds and transplants. Containers also need more frequent water than plants in the ground. Watch for drought stress between rain showers and water well before upcoming freezes to reduce plant stress.

Pests- Loopers and Aphids are on the prowl. Keep a close eye on plants and catch them early. Treat with the least toxic method possible. Find and squish loopers or treat with organic BT. Spray away aphids with a strong stream of water or treat with insecticidal soap.

Lawns- Best way to control early spring weeds: dig them by hand. Easiest way: MOW THEM. They will die out when it gets warm. We do not recommend "weed & feed" products. Keep fallen leaves raked up so lawn grasses can receive adequate sunlight. Reuse leaves in beds as mulch or add to compost bins.

Pruning - Crepe Myrtles need no pruning. If you must, you may shape gently now, but don't commit Crepe Murder. Wait to prune spring flowering trees such as deciduous magnolias, Mexican plums, and redbuds until after they bloom.

Birds- Keep bird baths scrubbed and filled with clean water. Keep seed in feeders fresh. After rain check for moist or damp seed, replace promptly to keep birds healthy and happy. Continue to put out suet cakes for high energy winter snacks.

Freezes- Keep an eye on the weather and stay informed on night-time lows. Have frost cloth on hand for light frosts. Water plants bricks can be used to secure and weigh down cloths.

Monday, January 27, 2025
9:30 Social, 10:00 Meeting
 We will be doing a garden craft project at Gloria's house. There will be more information coming by email, so watch for more details.

FROM FBWC MUCH APPRECIATION TO FBFN

I enjoyed seeing FBFN members yesterday! What a great group!!

I wanted to let you know, so that you can pass this along to the group, that our Shelter cook was "over the moon" about the cereal donations! As we unloaded my VERY full car, she was telling me that she had just been telling the Shelter Operations Manager that she was going to need to spend some money on breakfast things, especially cereal. (I saw the shelves where the cereal is usually kept, and they were pretty bare...). So, the cereal donations were MUCH APPRECIATED and very timely!

Please pass on our gratitude to the FBFN "family".

Thanks,

Vita Goodell
 Fort Bend Women's Center
 CEO
 Hellooo Today Cherie Young,

I just want to add that with the generous donation that your club provided, it is a complete blessing to the families that call the shelter home. I am sometimes left in aww, after having a need for something, and GOD sends angels like you almost immediately to fulfill the need. From the kitchen staff here at FBWC....our most gracious Thank you, and happy holidays.

Thanks,
 Evelyn Harper

BAPS Shri Swaminarayan Mandir

1150 Brand Lane Stafford, TX 77477 USA

Field Trip

The **BAPS Shri Swaminarayan Mandir** is the first traditional Hindu Mandir of its kind in North America. It's a haven for spirituality and a place of paramount peace. It is also a center vibrant with social, cultural, and spiritual activities. The Mandir was inaugurated in July of 2004 after only 18 months of construction time utilizing 1.3 million volunteer hours. The Mandir is comprised of 2 types of stone (exterior Turkish Limestone and interior Italian marble). More than 33,000 individual pieces were carved by hand in India, shipped to the USA and assembled in Stafford, TX like a giant 3-D puzzle. People come to experience living in Hinduism and the peace and tranquility that the sacred Mandir and Murtis provide.

There is no cost for this tour. I am waiting for confirmation from them, so I cannot give you an exact time right now, but it will be around 8:45 am. We will meet in the parking lot in front of Berryhill. We will carpool and eat lunch afterwards. It is so close; you may want to drive directly there. If you are interested in going, **please** RSVP to Gloria Mikulenska (text 832-244-6547 or email gmikulenska@comcast.net) by **Wednesday, January 15th!** We need to give them a number of guests as soon as we can. **Mark your calendar!**
